"There's so much kinky fun and games you can have when you happen to be one of a pair of identical twins. Derek and I get along great; so great that we have no problem sharing the chicks we bang," says Dale.

Dale and Derek were separated before elementary school, when the extent of their identicalness was discovered. Their parents had already divorced and felt it best to rear the twins separately. Each parent had a new lover; so both boys had happy, regular childhoods. They knew of each other's existence but didn't meet until they were 18, when they moved into the same apartment in L.A. during the time they were trying to break into acting.

Dale offers, "I had some success as a model, but it got boring. Derek wasn't interested in it to start with, and it didn't take us long to find out neither of us had the talent or tenacity to make a go of acting."

Dale and Derek have other jobs now. The two have grown apart but continue to spend most of their "leisure" time together. They are 25, blond, hung and fun-loving. They rent a small apartment downtown with their mutual girlfriend, who lives in their home and is an even prettier part of their threesome... and any other lovers who happen to come along.

"We couldn't pull the things we do if we weren't so identical and also pretty much alike in our habits and outlook," says Derek."

"We're not rapists or anything, and the girls inevitably go along with us," Dale explains. "Let's make that perfectly clear to begin with. For instance, two Thursdays ago, Derek took out this gorgeous chick named Isabel, whom he'd met at work. She's a real swinger type and dresses low-cut and likes to flirt a lot, so we decided to try our game on her.

"They went to a fancy restaurant and then saw a flick together. Derek brought Isabel over here; I was in the bedroom waiting. After they did some fooling around, he shut off all the lights and sent her into the bathroom to strip down.

"I was waiting in bed for her, and when she got under the covers, nude, I didn't say a word—our voices are nearly alike, but not completely—I just grabbed her hips and pulled her toward me. She started to speak but I put a hand over her mouth to silence her. Then I turned her over on her belly and straddled her. I have sort of a thing for hair, almost a fetish, and I wrapped my cock in her hair and played with my cock that way.

"She was quiet and didn't seem completely used to it, but she went along with it. Next, I turned her over again and I ate her pussy until she almost came, but not quite.

"I finished by fucking her, real quick. As soon

Twinning

Identical twin brothers tell how they share their fantasies—and the chicks they bang

as she came, I slipped out of her and went into the bathroom. I washed up and then sent out Derek in my place."

Derek eagerly continues:

"Dale and I are just a little different in bed; he'd rather eat pussy and I'd rather get my dick sucked. So I told Isabel to go down on me but I didn't say any more, not wanting to lose the sexy mood. She took me all the way down her throat, the best head I'd had in weeks. But I hadn't had sex in several days, so we did some kissing and heavy petting before I enticed her.

"Isabel was surprised at how I was holding up. She whispered in my ear, 'You've already come two times in half an hour. Do you think you're up to it?' I nodded my head and continued for at least 15 minutes more. She was amazed, and I was delighted. You know, that's one way we get all the babes we want: by word of mouth; they tell one another that we're both fantastic lovers, and that we can hold out forever and really give a girl all the sex she desires. And they think—until we tell them otherwise—that it's one person."

The girl left the apartment shortly after that, but not before making another date. Isabel never did—and never will, according to the twins—find out about this friendly deception. Do chicks ever figure out what's going on?

"We don't do that all the time," says Dale, "and when we do, we're careful not to talk too much. Anyway, some girls are so hot they don't notice the little discrepancies and besides, if they find out, what's the harm in it?"

Sometimes the twins tell their dates about themselves and their "sharing almost everything." Only if the girl is likely to appreciate a threesome does the trio share a bed and does a specialty which the twins term, with a wink, "the Sandwich."

"It's simple," offers Dale. "We all do a bit of foreplay and then we turn the lights down low. Derek sticks his dick in the girl's ass from behind; if she's a bit squeamish, I wait in the next room until he's inside her and she's comfortable with it. I stroke her and kiss her on her shoulders, caress her tits and then ease myself in her pussy from the front.

"That can be an overwhelming experience for someone who has never been Sandwiched before, and so we treat her with special care. But once she gives the go-ahead, Derek and I start pumping until it becomes rhythmic and we're thrusting away in unison.

"Derek swears he can almost feel his cock pushing through her insides against mine! We try to time it so that all three of us come at the same time. That happens about every third or fourth time, and it's the most incredible sexual sensation there is. It's a communal

experience, like one big giant orgasm; you really feel close to the people you're doing it with. It's especially fantastic if the chick gets a huge bang out of it. But the beautiful thing about the Sandwich is that anybody, even non-twins, can do it."

Another favorite the twins enjoy is switching on double dates. That is, they go out with two girls at once. Dale explains: "And when we get them home, which has two bedrooms (one where the guys sleep, one for their housemate, but more about that later), we take them to bed. Separately, of course. Derek goes with his girl and I go with mine. We do our own things, and then excuse ourselves for a minute. That's when we switch. Again, we try not to talk."

Derek interrupts: "We don't talk in bed to begin with, so the difference isn't noticeable. "Derek clues me in on what he and his chick did in bed and I clue him in about mine and me," Dale continues. "We continue doing whatever we like, and sometimes the girls catch on, but rarely. Usually they take it well if they happen to find out. Only once, this cute little blonde with a temper became furious, said we'd been tricking her and ran out to her car topless, cursing at us. Next time I bumped into her, she told me I was a better lay than Derek."

The other twin winces. "We made up, and after a few more dates, she asked if we could do the 'Sandwich thing.'"

"The exciting thing is being able to indulge in masquerades and carry on sexual hijinks and stuff. You can't really understand it unless you've already done it. It's a mindblower in itself, just pulling these things."

The brothers admit that their fantasies often include visions of each other fucking the same chick. The twins are partial to female twins, preferably identical ones like themselves, but those aren't easy to find. Their favorite dates are Terri and Tamara, a pair of identical twins.

The girls dress exactly alike and are even more similar than Dale and Derek, if that's possible. A popular pastime of the foursome is to strip nude and hang out in the dark on the floor on big pillows, trying to guess who is who.

"Talk about a handful of ass and tits," exclaims Derek. "We all snuggle up and roll around on the floor, grabbing and feeling and licking, you name it. And sometimes the girls play with each other. I like to turn on the lights and watch them mess around together. Those two are more inseparable than we are!"

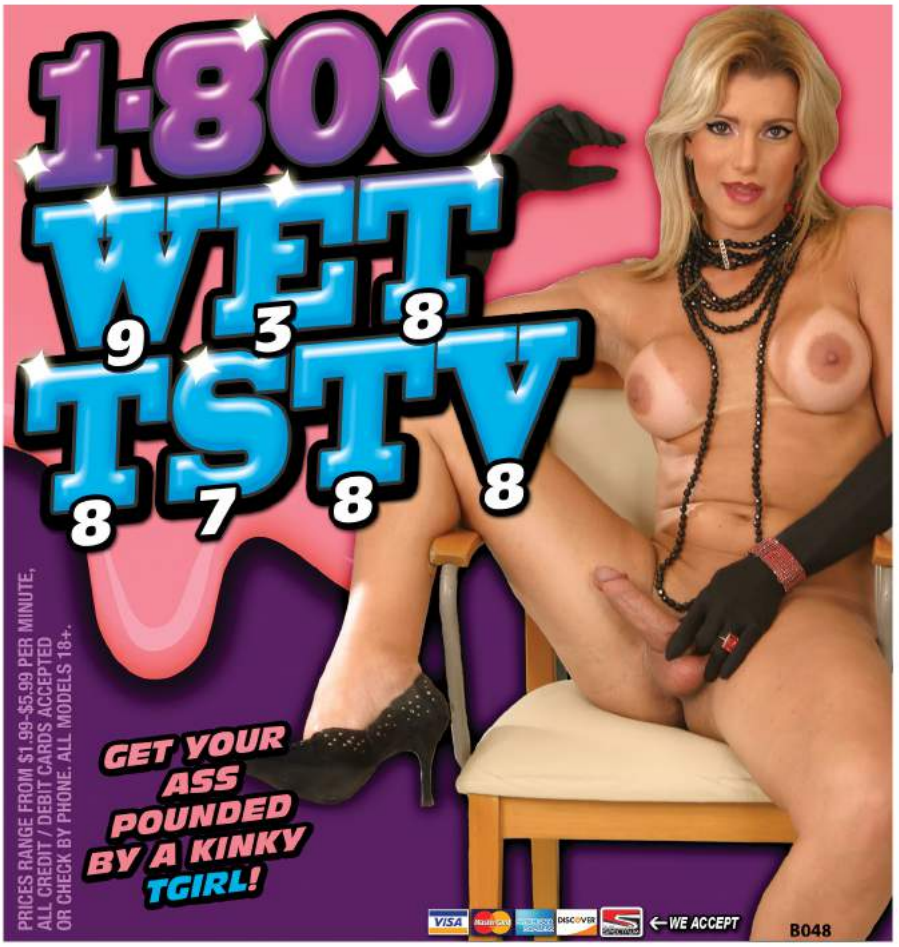

The male twins have a streak of exhibitionism, it turns out. It's a prime attraction for other couples to watch the look-alikes performing on two unlike girls and comparing the action.

One of their favorite party favors is the daisy chain. "It's like a flying 69," he continues, "but with twice as many people—boy-girl-boy girl. It can get real intense, and usually we switch off into boy-girl pairs to finish off. Other times, we do parties with the other twins and like, Tamara's playing with her own pussy while she sucks Dale's cock, and he's eating Terri's pussy out, and she's blowing me—it's not a daisy chain, it's a line. You know, a good line is hard to resist," he grins.

The four of them also puts on a show for their friends. "In one of them," says Derek, "there's this blonde chick, pretty but with her hair in a bun and wearing horn rim glasses. She's supposed to be a school teacher in front of her classroom, next to a

"Then Dale comes in with an eye patch and a stocking over his face, and he lifts up the teacher's skirt, unties her hair and tosses away the glasses. Then she becomes worked up and he gives a demonstration for the class that they never forget—no holds barred...

"I come in after that and pretend to knock Dale out cold, then I make the teacher get on her hands and knees and, you know, let her suck me off. And she can never get enough."

Perhaps the twins' most popular partner however is Taylor, their housemate. "It's almost like an open marriage," Dale says, "with two husbands and one free-and-easy wife."

Taylor says she hasn't a jealous bone in her body. "People question our arrangement, but it works for us," she emphasizes. "Two dudes are enough for me, and hearing about their other activities is exciting. Just don't get the impression the guys ignore me. No way. We have sex every other night, at least. Because there are two of them, it's easier on them and it's so much more fun for me. How could I have both of them all to myself?"

Taylor dislikes having another female around, so she prefers that the twins do their outside entertainment at the apartment. "Here, they sleep in their own rooms. I insisted that we sleep apart, to keep the spark of desire flaming. Every other night, one of them comes into my room and we fuck. Sometimes they both come in at once, for the Sandwich or something like that.

"The guys know I like it a little rough, and I often give them little nibbles on their cocks and on their asses too. We're into rimming, but only with each other, because we're all very big on hygiene."

Once in a while, usually on weekends, Taylor slips into one of their rooms where they all get together. What goes on there is totally acrobatic, to say the least:

"I lie on the flower completely nude, while Derek eats my pussy, soft and smooth. Meanwhile, I've got Dale's hot cock in my mouth. Last week, Dale and I came within seconds of each other, which is pretty amazing. I can go on and on, and then we switch, with me sucking Derek off and Dale licking my cunt to a fever pitch. Women, of course, can have limitless orgasms, and I try to!

"Another position that's fun is when one of the guys licks my nipples, kissing or tickling me gently, while I'm being rimmed or even fucked doggy-style. That's one of my fave positions! . It's a real trip."

"Anyway, we always have a blast. Our private lives are based on the pleasure principle. You see, I used to date Dale. Then I found out he had a brother—when his brother had his dick inside me. What a time to find out you're getting fucked by a complete stranger, even if he looks just like your boyfriend!

"Then they told me about their threesome, and then came the Sandwich, and I was hooked. So when they said their place was a mess and their cleaning lady had quit, I applied for the position of—we'll call it—live-in lover, part time housekeeper and roomie. But at the end of the day, these guys are great. It's all about what we can do together.

"I consider myself a lucky girl, to get in on this action. I mean, think of having sex with Brad Pitt every night, twice over. It's more than double the pleasure I've ever had before."

Put three sexy women together on a beautiful warm afternoon and things will surely heat up. That's exactly what happened with these fine ladies. They steamed up the photo shoot so much we all went outside, stripped down and jumped into the pool to cool off. By the time we dried off, it was time to get back to the sex. STUFFING HER PUSSY WITH EVERYTHING WE GOT
877-995-5465 MUST BE 18 TO CALL

My mouth filled with neighborly cock, I recalled what I had told Paul. I'll suck your dick, for starters. I was good for my word, you bet.

Jump My Beautiful Bones

I emerged from the subway tunnel and headed home. Pedestrian traffic was light for a weekday afternoon. At least until I reached my building.

A throng of rubberneckers were clustered around the entrance. Some poor guy had climbed out on the tenth floor ledge. He looked for all the world like he was going to jump.

That's my floor, I realized, and the poor guy is none other than my neighbor!

"Has somebody called the police?" I asked.

My question was answered by the shriek of an approaching siren. A squad car, its blue lights flashing, wheeled to the curb. Two officers jumped out.

"All right, all right," the shorter officer said. "Clear the way."

Shielding his eyes from the glare, his mustachioed partner peered at the potential suicide and shook his head with dismay. "Hey, Robby," he barked. "Call the Crisis Negotiation Unit pronto!"

The shorter officer darted back to the squad car. I blocked his path and said, "I can help this man. He's my neighbor. I live in this building . . ."

"Out of the way, lady." The cop frowned. "Time is of the essence here."

"I work for a suicide hotline," I told him. "I deal with this sort of thing all the time. And since I'm already here . . ."

The short cop regarded me with interest. Then he addressed his partner. "Hey, Larry, this lady here says she works for a suicide hotline."

"No kidding?" Larry said.

The short cop shrugged. The mustachioed officer named Larry walked over and looked me up and down. "Suicide hotline, huh?"

"That's right," I said. "I'm a licensed psychologist."

He thought it over, playing with his mustache as he did so. The short one said, "It's worth a shot, Larry. It'll take the CNU at least twenty minutes to get here. By that time it might be too late."

Larry stopped playing with his mustache and pointed at the ledge. "Can you convince that man up there that life is worth living?"

"I can," I told him. "And I will . . ."

I took the elevator up, entered my apartment, and made a beeline for the balcony. If I leaned against the railing I could see Paul, my neighbor, on the ledge.

"Paul," I said, "what's wrong? Talk to me . . ."

He didn't need much priming. He was itching to share. His girlfriend had dumped him; this after learning that he had dropped out of law school.

"She'll be sorry," he said. "I'll make damned sure of that."

"I know how you feel, Paul," I told him. "The same thing happened to me not too long ago. My boyfriend kicked me to the curb like a tin can. It hurts, I know."

Paul stood there on the ledge, staring at the sidewalk ten floors below. The crowd had thickened considerably. There was still only one squad car; the CNU had yet to arrive.

"Your girlfriend is a real idiot," I continued, "to break up with you. You're a really good looking guy, Paul. And smart too. They don't let just anybody into law school."

I wasn't lying. I really did think he was hot. Hell, I had even fantasized about Paul on a frequent basis, using his handsome image as fuel for countless masturbatory sessions with my favorite toy.

He raised his gaze from the street. "You really think so?"

"I know so," I told him. "I'd be thrilled to call you my boyfriend . . ."

"You're just saying that," he said. "You're telling me what you think I want to hear. I'm not stupid, you know."

Paul was proving to be a tough nut to crack. I decided to take a more extreme approach.

"Come down off that ledge, Paul. I promise to make it worth your while."

"And how are you going to do that?" he asked.

"Well," I said, smiling naughtily, "I'll suck your dick, for starters . . ."

Paul's cock had a mind of its own, a resoundingly healthy mind devoid of depression and despondency; this became abundantly clear after he had climbed over the railing and followed me into my apartment.

"Wow," I said, regard-

ing the bulge at the front of his pants. "You seem to have made a miraculous recovery."

"I'm getting there," he said. "Of course you never know. I could always climb back out on that ledge and jump."

"You won't do it," I remarked. "Not when you can jump my beautiful bones." I crouched on my haunches right there beside the sofa and unzipped his fly. He was thick and long. I gobbled every yummy inch. Pumping my head frenziedly, my lips cinched around his rigid member, I thought about how good it was going to feel to have him inside me.

Such thoughts prompted me to slide a hand down the front of my shorts. I was already quite wet. I played with my pussy, rubbing and petting and strumming with a deft touch. My toy was in the bedroom, but I hardly needed it as my fingers were doing just fine.

My mouth filled with neighborly cock, I recalled what I had told Paul. I'll suck your dick, for starters. I was good for my word, you bet.

And the starting phase was officially over.

Now it was time to ball in earnest . . .

I ceased giving head. Then I took off my clothes and lay on the sofa. Spreading my legs, I urged Paul to stick it in my pussy.

"Don't make me wait. Do it, Paul. I'm so fucking wet."

My neighbor kicked his pants across the floor and grabbed my ankles. He raised my legs, draping them over his shoulders, and pushed his cock inside me.

He proceeded to pound me good and proper, thrusting his rod forcefully. Bent like I was, my feet dangling over his back, I surrendered in full.

"Harder, baby! Fuck my cunt like you mean it!"

Paul wore my pussy out, stretching it with the relentless hammering of his sizable schlong. I came shortly before he withdrew and unloaded all over my perky tits.

"Feel better?" I asked him after we had recovered.

"Much better," Paul replied. "To hell with my ex. She's not worth it . . ."

"That's the spirit." I told him.

I got dressed and walked out on the balcony. The crowd had thinned but the squad car was still down there.

"Wait here, Paul."

I took the elevator down and told the two officers that everything was okay.

"It's a damned good thing," the short cop told me. "The CNU is tied up across town with a hostage situation."

A week later the police commissioner awarded me a Citizen's Life Saving Medal. Paul and I attended the ceremony together. Then we went back to his place for some much needed follow up therapy!

Cleaning Crew Cunny

The steady hum of a vacuum cleaner yanked me from a dreamless slumber. "What the hell," I muttered, raising my head from a cluttered desk.

I wiped sleep from my gritty eyes and surveyed my surroundings.

The office! I had conked out on the job, succumbing to the exhausting tedium of my current project. I had been working late, yet again, in a mad dash to the finish line.

My boss was hardly lenient when it came to deadlines. Hell, he was an iron fisted dictator! Doubtless I would be fired (at the very least demoted) if I failed to deliver on time, hence my toiling afterhours for the third night in a row.

My phone read 12:17 a.m.

Yawning, I uncoiled from my chair and stretched my stiff limbs. I exited my office and made a beeline for the lounge.

Coffee, I thought, must have coffee.

I was reminded of my college years—amphetamine fueled all-nighters while writing papers and /or cramming for exams. Ah yes . . . those were the days.

The vacuum cleaner became louder and louder as I neared the lounge. I opened the door to be confronted by one of the cleaning crew hard at work. Startled by my intrusion, she jerked and inadvertently yanked the plug from the wall. The small room was plunged into silence.

"You scared me," she said.

"Sorry," I replied lamely.

And I was. Sorry for spooking her, anyway.

But I was far from sorry about our chance meeting. She was most easy on the eyes—a hot Latina with flawless caramel skin and lustrous black hair pulled back in a ponytail. A baggy battleship grey coverall lent an aura of titillating mys-

tery to her body.

"Don't mind me." I put on a pot of coffee. "I'll be out of your hair in no time . . ."

"I didn't know anybody was here," she said. "You must be working late . . ."

I was surprised that she spoke English. Like cab drivers, most of the city's cleaning folk were immigrants with no real grasp of the language. Not that Spanish would have been a barrier; I had aced the class in college.

"Unfortunately." I sighed wearily. "A big project is due in a couple of days."

"I see." Genuine concern radiated from her beautiful brown eyes. "Good luck."

"Thank you."

She crouched on her haunches, retrieved the plug from the floor, and pushed it into the wall socket. The sexual symbolism of this simple act wasn't lost on me, not by a long shot.

The vacuum roared to life. The coffee brewed. I leaned against the counter and thought about how nice it would be to push my plug into her socket!

Steaming mug in hand, I returned to my office. The hot Latina's coworkers were hard at work in other offices, emptying waste baskets, polishing windows, and dusting blinds.

Theirs was a thankless job. And low paying. Still, somebody had to do it.

I chugged coffee and worked for another hour. Wired on caffeine, I could have easily continued until dawn, and probably would have were it not for my surprise guest.

I looked away from my monitor to see the hot Latina framed in my doorway; I always left my office door open when working afterhours.

"Hey," I said. "It's you again."

"I hope I'm not interrupting."

She was, but I didn't give a damn.

"Not at all," I told her. "Are you okay?"

"I guess," she said, crossing the threshold without invitation, her presumptuousness a major turn on, "but things could be much better . . ."

I'm a perceptive guy. The tension in my office was palpable. Her expression and manner said it all. She was looking for some quick fun to liven up her dreary shift. As for me—well, I could certainly benefit from the same.

"Close the door," I said.

"Si, senor," she said in her native tongue.

The mystery of her body was solved soon enough; this when she unzipped her coverall and let it drop to the floor. Hers was a luscious body, thin yet ample in all the right places, namely her tits and ass. She untied her hair and let it fall freely.

Then she got down on her knees and commenced to crawling across the floor, licking her full lips as she did so. Pushing my chair away from my desk, I turned to face her. I had my cock out by the time she reached me.

She took me in her hand and licked the bottom of my shaft. Her tongue felt amazing, hot and velvety soft. I groaned delightedly as she sucked and nibbled my nuts, all the while stroking me with her hand.

Had she continued in this manner for just a few seconds more I would have blown my wad. Thankfully she backed off just in time. A good thing, this, as I was most eager to fuck her sweet pucha.

Having gotten out of the chair and bent her over my desk, I took her from behind. Her hips flared beneath a trim waist. Her ass was plush, yet durable, taking the punishment as I pounded her with everything I had.

One hand squeezing a fleshy hip, I used the other to grab a handful of her hair. I pulled her locks like a horse's reins, drawing her head back. She regarded me over her shoulder, urging me to fuck her harder.

I obliged, though in a different position . . .

Pulling out, I turned her around, and had her sit atop the desk. She reclined and lay there, raising her knees. I moved between her thighs and guided my cock inside her. Fucking her like that, watching her magnificent tits jiggle as her cunt clenched my cock, pushed me over the edge.

No sooner had I withdrawn than my cock erupted, shooting a geyser of cum all over her stomach.

"Shit," I gasped. "Oh, shit . . ."

Finally, after a protracted silence, I told her that I didn't even know her name. "Mine's Mark . . ."

"Consuela," she said.

"That's pretty. I like it."

She reached for her coverall. "It means comfort."

I smiled. How appropriate. She definitely knew a thing or two about that. And how!

PUSSY KAT

RED HOT TART

I think the best sex I've had was after I got married. My ex was a bit of a nerd but he had a nine inch cock that made up for everything – for a while. But since we split, I've mustered the confidence to go after any man that I want. Today, I want his cock in every one of my tight holes.
